

Dear MPRCS Parents:

Once again, FACTS Grant & Aid Assessment will be conducting the financial need analysis for the Archdiocese of Philadelphia/BLOCS & Mother of Providence Regional Catholic School for the upcoming 2019-2020 school year. Families applying for financial aid must complete an application and submit the necessary supporting documentation to FACTS as soon as possible but no later than March 15, 2019.

Applicants can apply online at <https://online.factsmtg.com/aid> or by clicking the FACTS link at [mpregional.org](http://mpregional.org). Once you complete an online application and submit the fee, you will need to send FACTS copies of your most recent Federal tax forms, including all supporting tax schedules, to complete the application process. **New this year:** The Archdiocese has told us that FACTS is allowing you to submit your most recent tax return for verification instead of having to wait and submit your 2018 return in the spring. This means that if you applied for aid last year and your application was verified, you can reapply now for 19-20 without resubmitting tax returns, since your 2017 return is already on file with FACTS.

If you have questions or concerns about the online application process, you may speak with a FACTS Customer Care Representative at 866-441-4637.

Information about qualification income for BLOCS financial aid can be found at: <http://www.aop Catholicschools.org/financial-aid>. This will allow you to estimate if your income is in the qualifying range before you apply.

Please note that you must complete a FACTS application to receive any tuition assistance or scholarships from MPRCS, such as the Kelley Scholarship.

Please let me know if you have any questions.

Sincerely,

Anne Gioia
