***** FAQs *****

Why pay electronically? This is a consistent and convenient method eliminating the need to remember to write your tuition check each month. Payments will be received timely, eliminating the monthly late charge of \$15.

Will I still receive the monthly tuition invoice? Yes, the billing system will generate an invoice which will be emailed to you for your records. Your payment will be made automatically and you will receive notice of this payment each month.

If I sign up, when will my payments be transferred? Monthly transfers will occur the first Monday of each month. If the first Monday falls on a legal holiday, the transfer will take place on the following day. **NOTE: JULY PAYMENT WILL BE PROCESSED ON JULY 9, 2018 DUE TO THE HOLIDAY WEEKEND.**

Can I make my other payments electronically (i.e. CARES, tech fees...)? No, please send in those payments separately.

Who do I contact if I have additional questions or if I need to update my information?
