

Virtual Classroom Expectations and Responsibilities for the 2020-2021 School Year

If you have chosen virtual learning for the start of the 2020-2021 school year, your child is to adhere to the following guidelines, as well as all classroom and school rules and expectations. **Note: MPRCS has the right to update and make changes to these guidelines as needed.**

1-All classes must be attended during school hours. We will be streaming live and we will not be recording our day. You must be present from the start of the school day until the end of the school day, with the exception of snack, lunch, gym, and outside activities.

2-A Daily Class schedule will be provided for your child's grade and he/she is to follow it. This will include AM snack and Lunch/Recess times.

3- You must be in your school uniform.

4- You are to be sitting at a table or desk with a wall behind you. No beds.

5-Make sure to set up in a room with limited distractions. No tvs, pets, toys or food.

6-To avoid background noise, we are asking that everyone mutes when the class begins.

7-You should have all your materials for the day with you.

8- Please treat your virtual learning as if you are in class. Breaks should be taken at our scheduled class time. If you need to leave or excuse yourself for some reason, you must raise your red card or notify the teacher.

9- If you have questions during the day, raise your red card, raise your hand or call out to your teacher.

10-Make sure you are completing all of your assignments and turning them in when they are **due**. You have the same due dates and expectations as the students in class.

11-Make sure **YOU** are completing all assignments to the best of **YOUR** ability. Parents may assist you, but the finished product should be your work.

12- You should be going back into your Google Classrooms assignments to check for teacher comments and updates.

13-You need to read all directions carefully before completing an assignment.

14-If you do not understand an assignment, contact the teacher..

I have read and agree to follow the Virtual Classroom Expectations and Guidelines. If the guidelines are not being followed, parents will be immediately notified by the teacher. I am also aware they are subject to change.
